

## THE PURPOSE OF THIS GUIDE

This Financial Services Guide (FSG) is designed to assist you in deciding whether to use any of our services and contains important information about:

- The services we offer you
- How we and our associates are paid
- Any potential conflicts of interest we may have
- What to do in the event of a complaint

## RESPONSIBILITY FOR SERVICES PROVIDED

We hold an Australian Financial Services Licence and are authorised to advise and deal (via both issue and arrange) in the full spectrum of general insurance products.

We are responsible for the financial services provided to you, or through you to your family members, including the distribution of this FSG.

We are required to meet high standards for staff training, organisational competence, management expertise, financial control and compliance disciplines.

## WHO DO WE ACT FOR

Our typical business model is to act under Broker arrangements with insurers. This means that we will typically be acting for and in the best interests of the insurer.

## OUR SERVICES

We offer a range of services to assist you to protect your assets and guard against unexpected liabilities including:

- Assessing risks proposed to us.
- Issuing insurance policy documentation.
- Identifying risk factors to avoid claims

## HOW TO CONTACT US

You are able to contact us by phone, in writing, email or in person.

## OUR PRODUCTS

We can advise and arrange a broad range of insurances with a specific focus on the general insurance needs of the owner builder & homeowner

## RETAIL CLIENTS

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection from other clients. The Act defines Retail Clients as:

Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people And that are purchasing the following types of insurance covers:

Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

## RETAIL CLIENT ISSUES

Typically we only provide General Advice to our Retail Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

If you are a new Retail Client purchasing Personal Accident or Sickness insurance and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a **Statement of Advice (SOA)**, that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product.

For existing Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing) which we will provide to you within 28 days of such request.

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a **Product Disclosure Statement** at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

## WHAT WE EXPECT FROM YOU

To enable us to provide the right advice we need you to provide us with complete information about the risk(s) that you face and those that you want to be insured for. You should also tell us about any relevant changes as they occur so that we can review your insurance needs accordingly.

## PERSONAL INFORMATION

The Federal Privacy Act 2000 sets out standards for the collection and management of personal information. With your consent, we will only use your personal information for general insurance services.

## COOLING OFF PROVISIONS

All retail products are subject to a 14 day 'cooling off period'. This means that if you are not happy with the product, you have 14 days to withdraw from the contract at no cost to you. PLEASE NOTE: The Cooling off Period does not apply to Warranty Products as they are a non-cancellable policy.

## COMPLAINTS

Clients not satisfied with our services should contact AOBIS's Complaints Officer. They are members of the Australian Financial Complaints Authority (AFCA), a free consumer service. Further information is available from our office, or contact AFCA directly on 1800 931 678 or visit [www.afca.org.au](http://www.afca.org.au). They also adopt the Insurance Brokers Code of Practice.

You are able to contact us by phone, in writing, email or in person.

## COMPENSATION

We hold a Professional Indemnity Policy. This policy is designed to pay claims by Third Parties (including our clients) arising out of our Professional Negligence. The policy extends to covers us for work done for us by representatives/employees after they cease to work for us and satisfies the requirements for compensation arrangements under Section 912B of The Act.

## OUR SOURCES OF INCOME

When placing your insurance we usually receive a commission from the insurer. The amount varies between 0% and 25% of the base premium you pay. Where a policy is cancelled before the period of

insurance has ended we will usually retain the commission on any return premium involved including fees.

If you are a Retail Client and we give you Personal Advice, commission amounts will be provided in any SOA or (where an SOA is not required to be provided) included on any relevant invoices. When we give you General Advice, full commission information (including dollar amounts) will be provided on request.

We have a set of standard non refundable fees that we charge you for services such as:

- Market research on products available.
- Assessing the claims paying ability of insurers.
- Production and issue of policy documents.
- Policy and claims administration.

All fees payable for our services will be advised to you at the time of providing the advice or service.

We may receive additional remuneration from insurers with whom we have profit share or volume bonus arrangements. This remuneration is payable if we meet certain agreed sales and/or profitability targets set by the insurer. If we have profit share arrangements with an insurer that apply to a product we recommend to you, we will advise you of this at the time of making any such recommendation if the amount involved is material.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer.

If you pay by credit card we may charge you a credit card (incl. arrangement & handling) fee, which is disclosed and shown separately on our invoices, they are non refundable. This fee covers the cost of bank charges etc. associated with such facilities.

All policies will be charged with an additional fee made up of an administration fee, underwriting fee and/or agency fee. These fees will be assessed according to each application for insurance and will be advised to you at the time of providing advice or service. Upon cancellation of a policy we may retain a percentage or all of these fees. You will be advised at the time of cancellation the amount to be retained.

#### **HOW OUR REPRESENTATIVES ARE PAID**

Our representatives do not receive any benefit directly from the sale of a product to you. Our representatives

may receive bonuses payable based on the overall performance of our business.

If a person has referred you to us, we may pay them a part of any fees or commission received. If you are a Retail Client and receive Personal Advice full remuneration details will be disclosed in the SOA or invoices related to the advice.

#### **CONFLICTS OF INTEREST**

As a business we have relationships with and receive income from various third parties as detailed in this FSG. For Retail Clients receiving Personal Advice, details of relationships that impact the advice will be included in any SOA or invoice documentation we send you. All material conflicts that impact our advice, that are not mentioned in this FSG, will be advised to you on the invoices related to that advice.

#### **ELECTRONIC DELIVERY OF DISCLOSURE NOTICES**

Please note that where possible we prefer to provide all correspondence and disclosure notices (including Financial Services Guides and Product Disclosure Statements) to you electronically, via email or links to websites etc. If you have provided your email address to Us we will typically use that email address for all correspondence and disclosure notices. Should you not wish to be sent disclosure documents electronically please advise us and we will update our records accordingly.
